Puttin' The Pieces Together

Some of us drudgingly, some of us enthusiastically, begin another school year. The halls are crowded with new and familiar faces. Books are issued and lockers are assigned. Yes, the students here at Community High School will again be tackling the hectic schedule that fills every minute of the day. Students will be seen cramming for the Science test they thought was tomorrow, or quickly reading their English Literature assignment trying to prepare themselves for the dreaded pop quiz.

Aside from the regular classroom assignments, extra-curricular activities will also play an important part in the hectic schedule. Pep Rallies, ballgames, and dances will make the time spent within the walls of C.H.S. more memorable. It is the combining of these enjoyable facets of life along with the not-so-enjoyable schoolwork requirements that will help the students here at Community High School complete their puzzles of life. For this reason, we, the 1988 Communitier Staff have chosen the theme —

"PUTTIN" THE PIECES TOGETHER

1988

FACULTY

A school takes on a different personality each year as students excel and new student leadership emerges. The 1988 Community School is one that we as faculty, students and parents can show our pride in having been a part. Our faculty has worked hard to bring out the best qualities in our students. Our students have shown the pride and class of true winners in all areas of student life. Our parents have joined forces with the faculty and students to promote Community School and the Unionville Community.

To the members of the class of 1988 it is my hope that this volume of the Communteer reflects a happy ending to one shortstory in each of your lives. We know that Life is not a novel with a beginning and end, but is instead a series of shortstories, each with its own sad or happy ending.

Congratulations to the Staff of the 1988 Communteer for an excellent book and a job well done!

*Bob
Mitchell*

Every Viking must take a break now and then. The numerous activities and the constant studying could drive anyone crazy. Our Mr. and Miss CHS always found time to unwind from the pressures of the day. Whether it be cruising around town in the afternoon or just goofing off during the day in the library. Bob and Kim knew what it took to "put the pieces together."

Coming to America from a European Country is like a breath of fresh air, entering a new world. It's different, but it's fun. The Americans are a great people and they've been teaching me a lot. This year, the experiences and the friends I've made will always be in my mind. For meg irl dere alltid vore noe helt spesielt.

Love,

VALEDICTORIAN

I sit and think and wonder why
I ever wanted time to fly.
As I look back I start to cry
For our years together have now passed by.

Oft times I've reached that dead end road.
I've stopped to lay down my heavy load.
I've looked behind; I've looked away
Scared to face the pressures of the day.

But now it's time to move ahead
And face the world I used to dread.
I won't forget the memories made
For in my heart they'll forever stay!

It was rather small, only 1' x 3'. But Junior Shannon Douglas was convinced that her locker was an important piece in her puzzle. It was a place to meet friends, catch a glimpse of the new kid, and, of course, keep her personal items.

Sophomores

With the giant step from being a freshman, the sophomores are learning what it really takes to be a "success." They have just taken one of the many steps toward their graduation. Like all transitions, becoming a sophomore is part of growing up and with a little practice it is easy for them to fit into the puzzle of growing changes.

With the "formative years" behind them, the Freshmen were ready to tackle the challenges of high school. Goals for academic success intertwined with hopes of popularity were set. This year was to be an important piece in each Freshman's puzzle of life.

After losing a large number of excellent players via graduation last year and returning only two experienced players, this team began the season as the most inexperienced Viqueens squad in many years. Nevertheless, these girls set a number of goals for themselves and have worked extremely hard to accomplish their goals! They have played hard; they have grown in experience and confidence; and they have become a real team as all the girls have contributed to this team's success thus far.

What an exciting year it has been! This year's Viqueens team has a 15-9 record with three games remaining in the regular season and tournament time approaching. For the first time the Unionville Viqueens have won the District 9A regular season title with a 6-2 district record!

Girls, I am very proud of you! You are a special group!

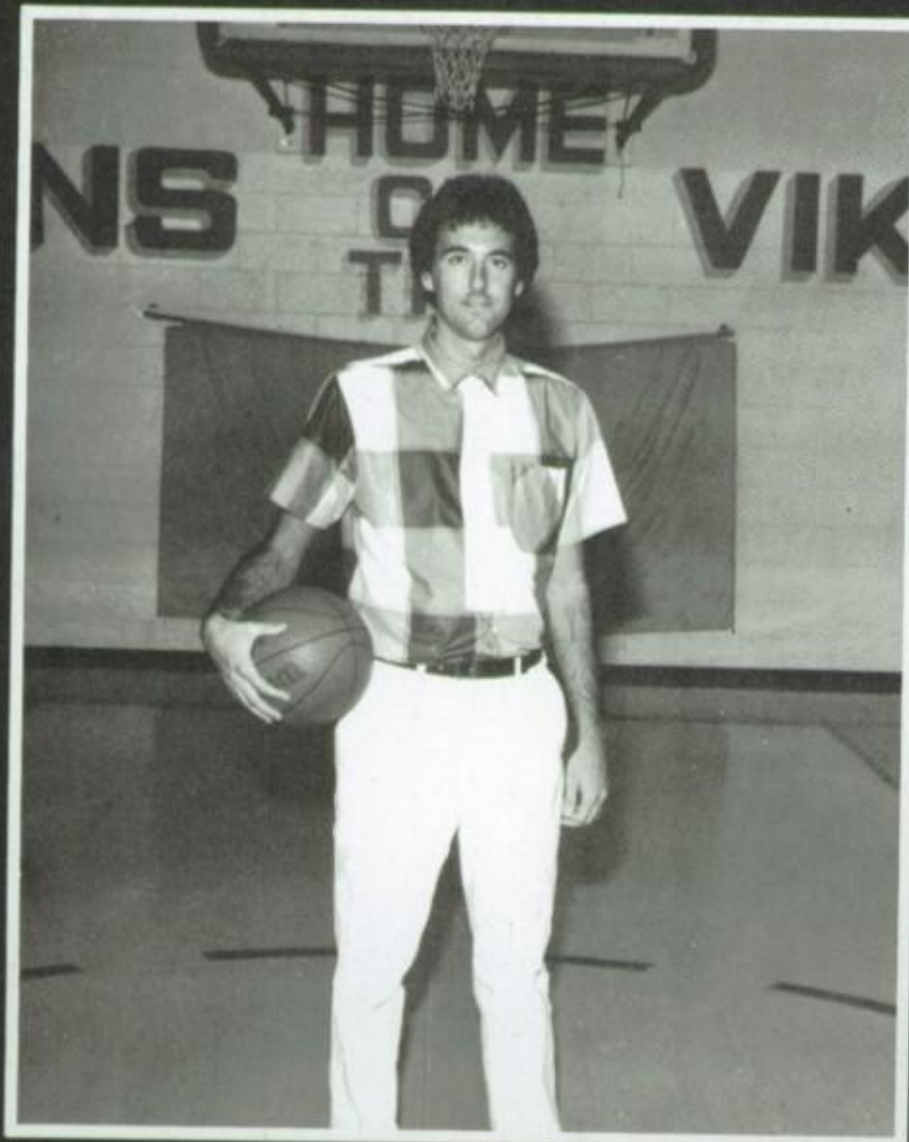

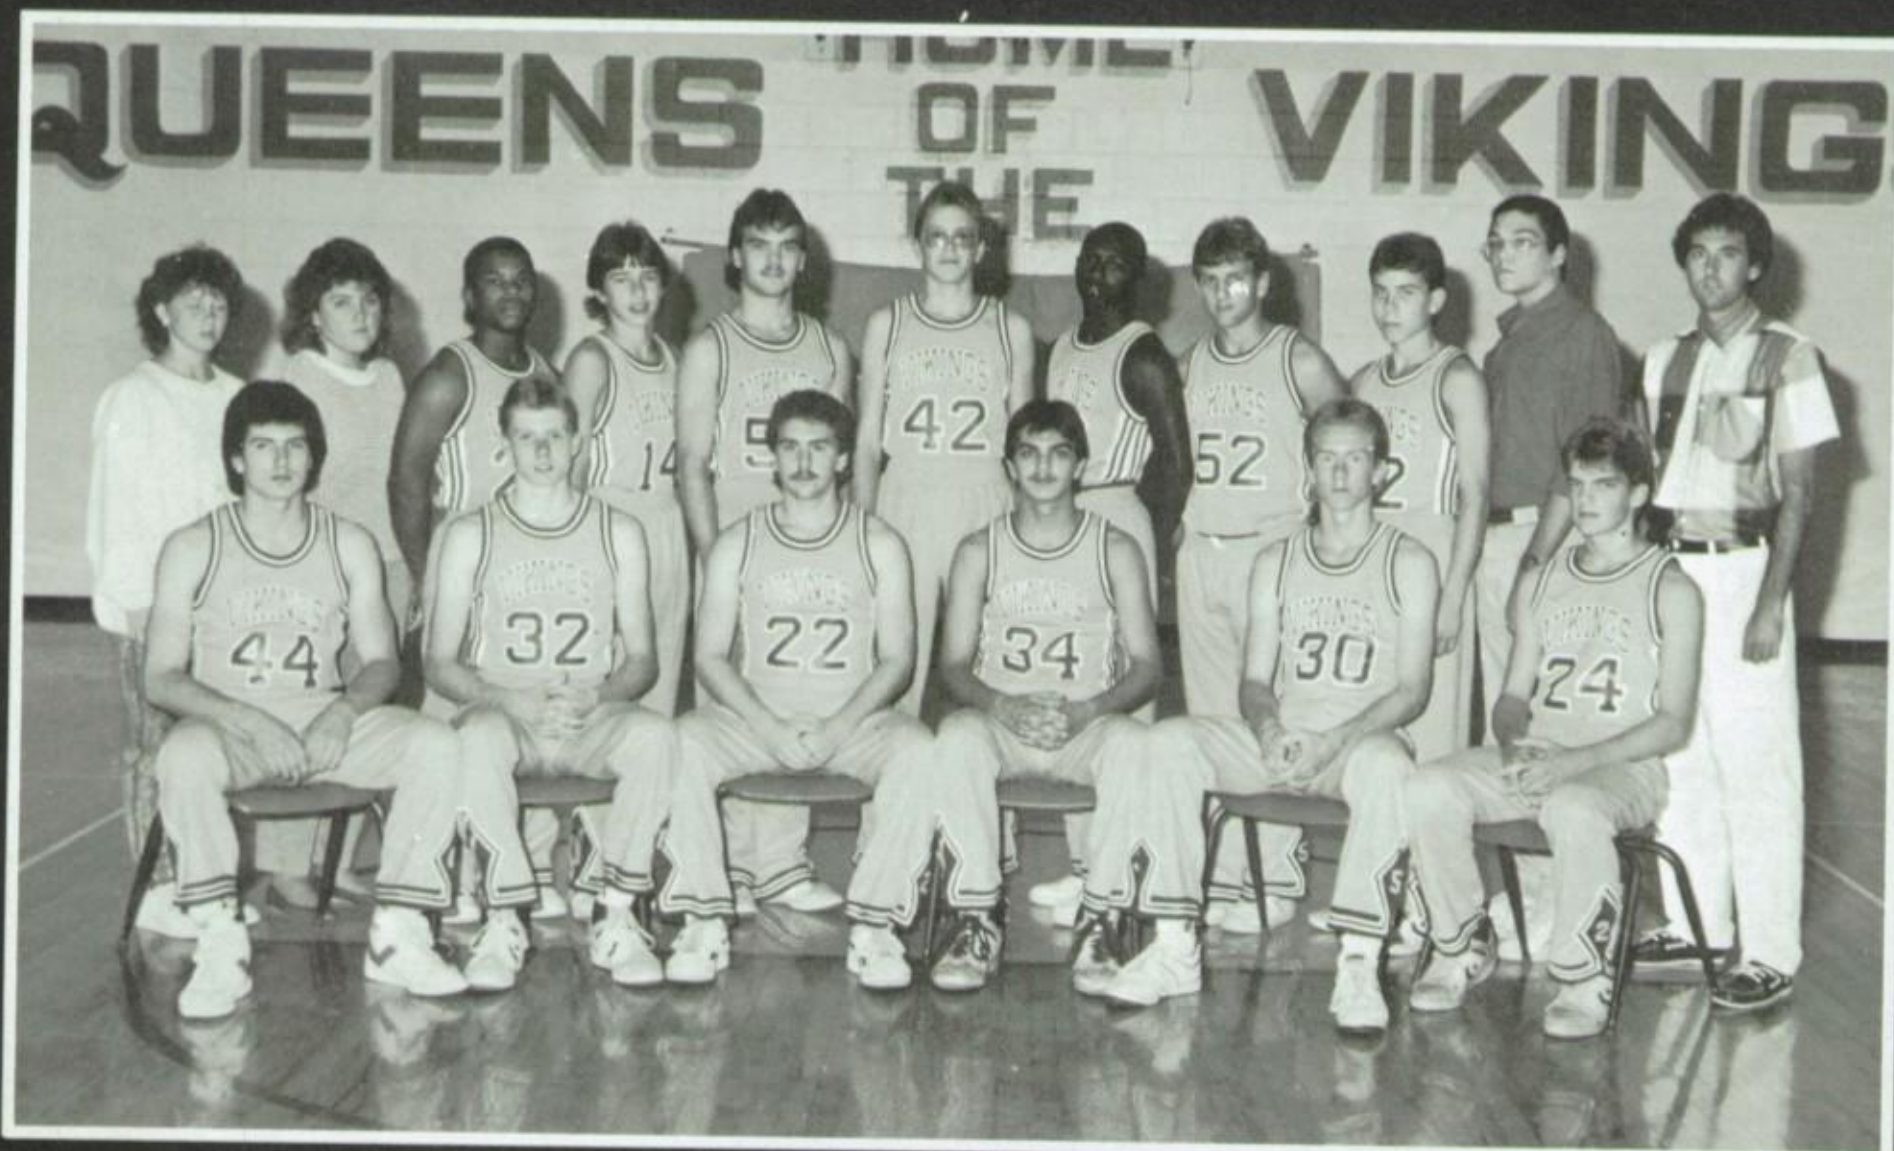

Viqueens, continue to play hard! In all you do, show PRIDE, show CLASS, and always give 100% EFFORT!

God Bless!

Bob Mitchell became Community High School's career leading scorer with 1,542 points to date, surpassing the previous high of 993 points set by Tony Helton. Bob did this by scoring 132 as a Freshman, 385 as a Sophomore, 592 as a Junior, and 433 to date in his Senior year. His record will be the goal of many young Vikings in the future.

Top left: Mitchell up for the stuff.

Top right: Harrison shoots the "J."

Bottom right: Mitchell and Yoes eye the ball.

We didn't win as many regular season games as we had hoped, but we gave outstanding efforts each time we played. Our goal of winning the regular season district championships hinged on the final shot in all three games we lost. The two Eagleville games were especially painful to our team, but in the end they probably made us a better team.

The team took time to jell because of some problems which occurred during the middle of the season. We were able to put things together as tournament time approached. The team finally began to understand what was expected as far as the season progressed. You have to learn to play as hard as you can all the time, as you do some of the time.

We had only two Seniors, Bob Mitchell and Chris Pierce and they helped a great deal. We will miss Bob's outstanding shooting ability, but more than that we will miss his great attitude. Bob became a complete player and not just a shooter. Chris did an excellent job as we usually gave him the best guard to defend against.

Our team next year should be one of the best around. We will return four starters and others will be competing for these positions. Our strength is our five returning post players. How far we go next year depends on how hard our guards work in the off-season. The three most improved players were Jason Blackburn, Scott Reed, and Troy Harrison. Everyone worked hard, but these guys advanced to a new level of play.

In closing I want to thank our players for the class they demonstrated throughout the season. We worked hard on the court, but we had fun when it was over. I enjoyed working with this group and love them all. We are a family that grows with each year.

I also want to thank our students for the outstanding support they gave us. We always need our sixth man.

Thanks,
Coach Edmondson

The Varsity Cheerleaders are a very proud organization which leads our teams into victory. The ball players wish to thank our 1987-88 Varsity Cheerleaders for being an important piece of our puzzle.

SPIRIT

There was togetherness and a positive attitude expressed daily in practice and game situations. This squad never had need to hang its head for lack of effort. Some outstanding characteristics of the squad were their

team spirit and their willingness to work hard. Regardless of the odds, predictions, or opposing team build up, pressure did not seem to bother this squad. All of them have worked long and hard to improve themselves

before the first game. This often exhausting and sometimes fun training proved to help form and bring out new and improved talents and skills in each individual on the squad. This squad has put the pieces together!!

J.V. VIQUEENS

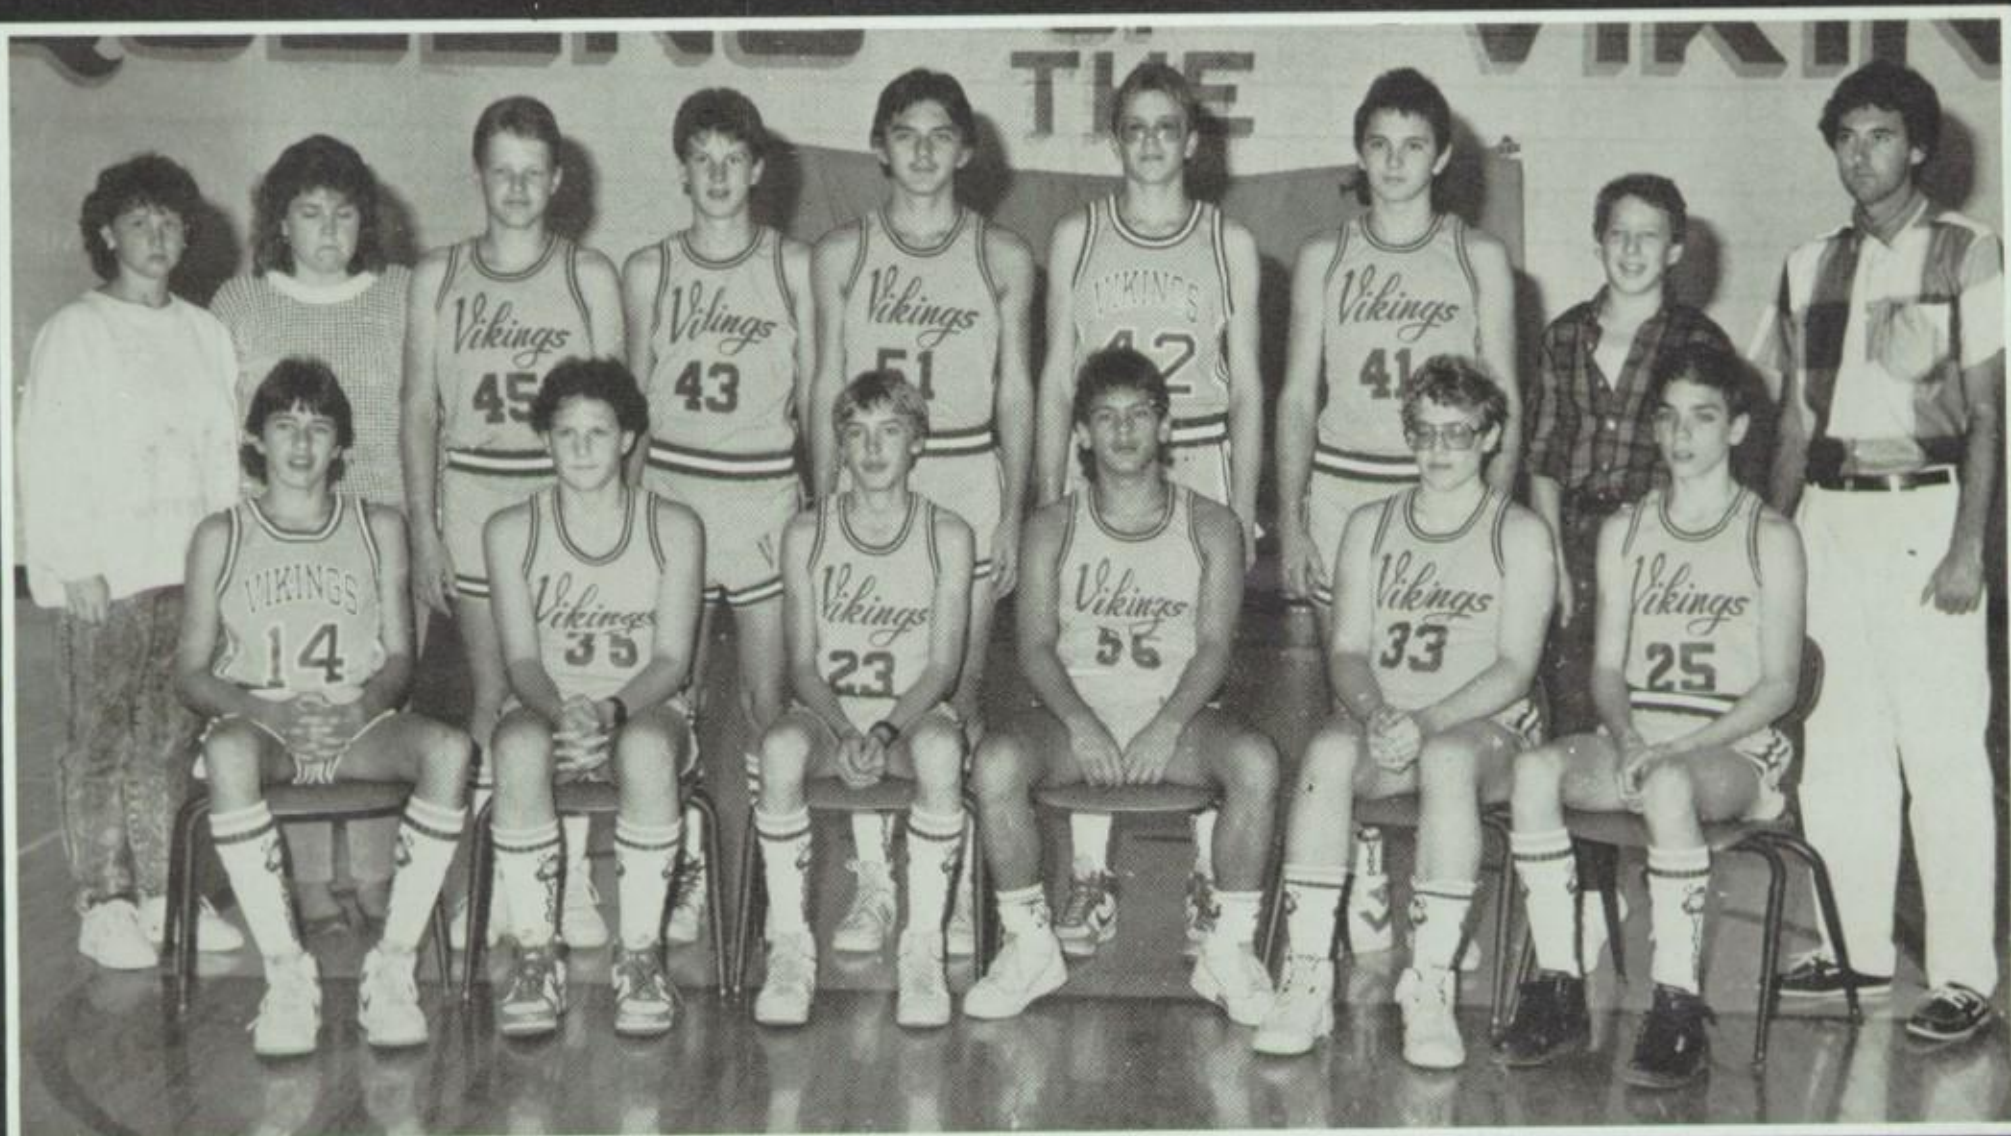

The J.V. Viqueen team consists of mostly younger players. These players get valuable playing experience for their later years in high school basketball. These young ladies give 100% of themselves each time they step out on the floor. They will be a vital part of the puzzle as they and Coach Wortham strive to put the pieces together!

EXCELLENCE IN ACTION

THE J.V. is a vital part of practice and games as they help prepare the Varsity for the big game.

J.V. VIKINGS

Our J.V. team consisted primarily of Freshmen, although we did use a few upperclassmen at the end. The boys worked hard all season on basic fundamentals which are vital to our high school program. All the players showed great improvement as the season progressed. How hard they work during the off season at applying what they learned will determine their future in our program.

The one characteristic which stood out was their willingness to learn. The Freshmen would show up at 7:15 many times to work on their game. We will not run the J.V. program next season as we did this year. It was a good year. It helped in evaluating our future players. The J.V. was definitely an important piece of the puzzle.

Viqueen Softball 1987

Beginning a fast pitch softball program was a great challenge! Our girls have worked hard to make this program work. Assistant Coach Beverly Holmes has been most helpful working with the team. We appreciate the support from the school, the community and the parents.

1987 was a special year for Viqueen softball. The regular season was only mediocre in terms of success. But as tournament time approached, the team's determination grew and the girls bonded closer together.

The first tournament opponent was Cascade. With wins of 16-9 and 11-5, over the Lady Champions, our Viqueens advanced to the District 9A softball tournament finals against defending district champion Richland. Again the Viqueens won the tournament games 8-3 and 10-8 to defeat the Lady Raiders and become the 1987 DISTRICT 9A SOFTBALL CHAMPIONS!

Next came the Regional Tournament. With a first game win over Mt. Pleasant, the Viqueens advanced to the Region 5A finals losing a hard-played game to Spring Hill.

This team has much to be proud of and has given Community School much to be proud of as District 9A champs and Region 5A runner-up after only two years of fast pitch softball!

Girls, I'm proud of you!

Viqueen Pride!

Coach Jo Ann Wortham

This Viqueen softball team is the epitome of hard work and desire. They scrapped and fought and eventually toppled the odds. These girls are definitely puttin' the pieces together.

The Jr. High Viqueens are doing well at Christmas break. In spite of injuries these girls have worked together and are 5-2 as the holiday break begins. After the holidays the girls plan to avenge earlier losses to Liberty and Moore Co. February will bring both the Bedord Co. Tournament and the world tournament at Chapel Hill.

This group has a lot of desire and hustle. With continued good effort from all team members we look forward to a successful second half of the season.

Sitting: Jeremy Byford, Steven Molder, Jason Taylor. Kneeling: Josh Sudberry. Mgr, Jan Sorrells, Steven King, Kevin Tuberville, Richard Crick, Monte Moore. Standing: Mgr Bryan Yarbrough, Timmy Burton, Robbie Prater, Carmen Schuls, Jeff Moore, Jason Luma, and Coach Mike Edmondson.

I expected the team to get off to a slow start because of the time we had to spend on fundamentals at the beginning of the season. The team exceeded my expectations by winning two games before Christmas.

The best thing about the team is their understanding of their total role in the program at Community. Our goal is not to win games, but to develop players for the high school program.

Hopefully, we can, produce three or four players for the high school each year.

It was a pleasure coaching these guys. We have a good nucleus coming back for next year as alot of 7th graders are getting quality playing time.

JR. HIGH CHEERLEADERS 87-88

Go Team!

The Junior High Cheerleaders of 1987-88 are a very special group. They are the pep leaders of Community Junior High School. These girls are a very vital part of the junior high basketball squads. They practice long hours and work very hard at cheering. Indeed, these girls are puttin' the pieces together!

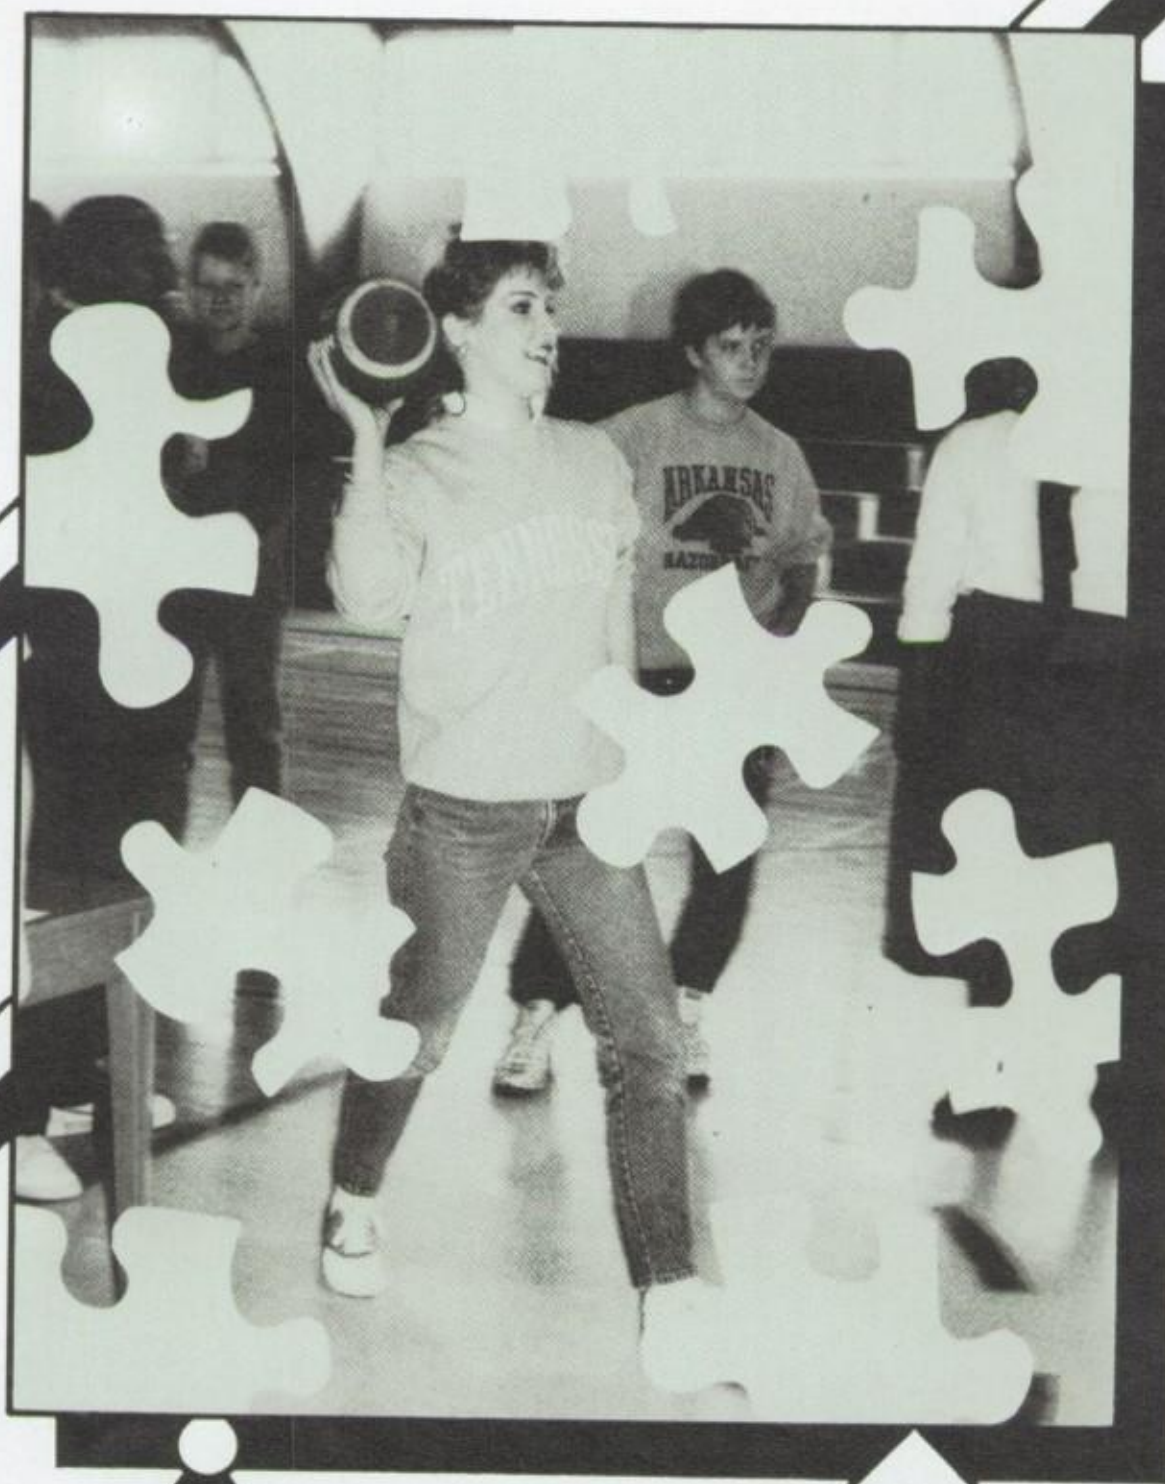

Members of the squad are:

June Smith, Lori Stocstill, Melanie Meeks

Angie White, Resa Reed, April Woodard

Homecoming Queen

Vicki Fisher

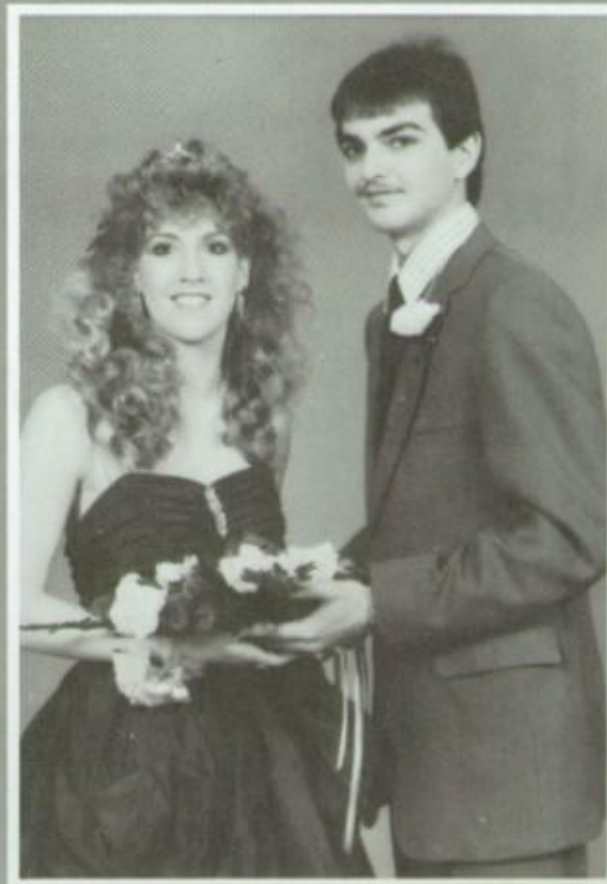

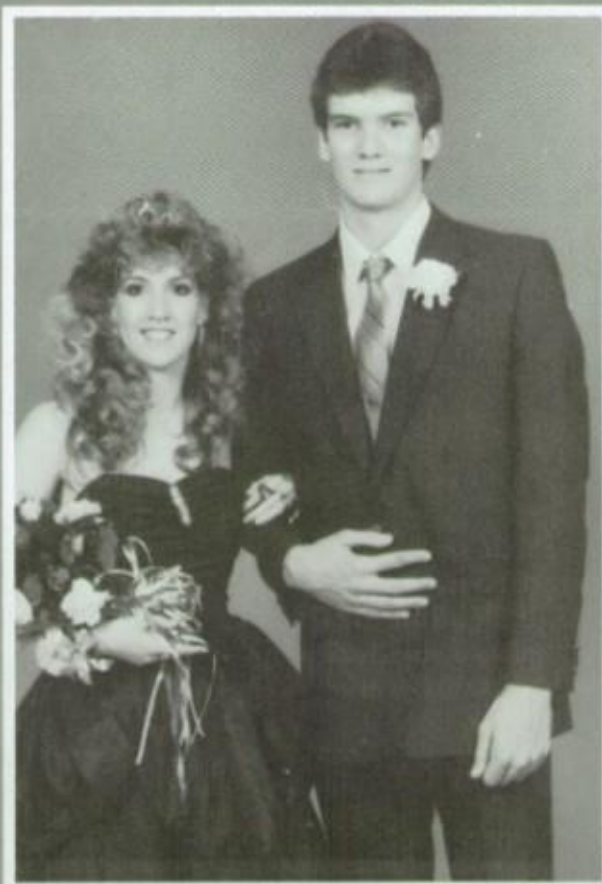

On the night of January 28, 1988, anticipation and anxiety built up inside three Senior girls. Who would be the 1988 Homecoming Queen? The tension mounted as Student Council President Bob Mitchell asked for the envelope — "and the 1988 Homecoming Queen is — Miss Vicki Fisher"

Vicki, daughter of Mr. and Mrs. Glen Fisher, was crowned by the 1987 Homecoming Queen, Miss Tabitha Sons. Vicki was presented a bouquet of roses by Bob Mitchell and was escorted by Joe Wright. It seemed rather fitting that the student body should elect Vicki as Queen since she had been a Homecoming Representative her Freshman and Junior years.

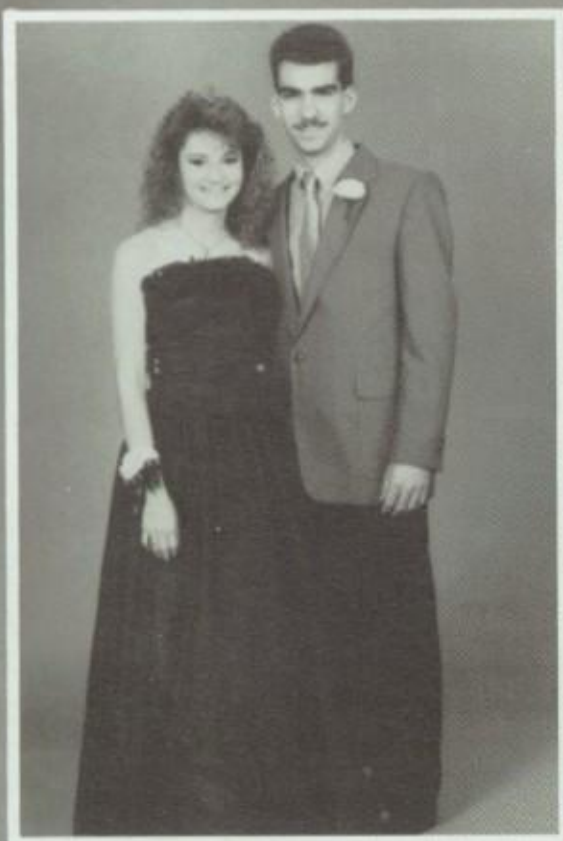

The crowning of the Queen.

MR. "G'S" MESSAGE

Often one of the most difficult tasks for a Yearbook Staff is "Puttin' The Pieces Together." Just like a puzzle, a Yearbook is made of many, many separate but interlocking pieces. If one piece is out of place, or doesn't fit just right, the whole puzzle is incomplete and somewhat disappointing. The 1988 Communitier Staff has risen to the challenge of assembling the puzzle that pictures the life and times at C.H.S.

I have worked with many Yearbook Staffs in the past years but the 1988 Staff put the pieces together better than any previous group. In my mind, they epitomize "THE STAFF" of which every advisor dreams. In the past, there have been several goals that I have wished we could accomplish. The '88 Staff has accomplished each of these goals and has established a level of quality in Yearbook production that is unsurpassed. There was never a challenge too great or too difficult for them to tackle and conquer.

I would like to express my heartfelt thanks to each and every member of the 1988 Staff. Special thanks and recognition must go to our Editor, Beth Hasty. Beth is by far one of the best Editors with whom I have had the privilege to work. She ensured that scheduling was made and deadlines were met, not only by the staff but by me as well. Our Assistant-Editor, Renee Adcock, was a special piece of our puzzle. She was the first Assistant-Editor of a Yearbook Staff here at C.H.S. She worked hard and fit in well. She will undoubtedly do a superb job as she takes over as Editor of the 1989 Staff. Our Photographers, Brenda Curtis, Vicki Fisher, Natalie Barber, and Stephanie Crick, did a remarkable job on equipping and utilizing our darkroom and photographic equipment. The quality of pictures they printed was excellent.

The puzzle is now completed. All the pieces are in place and our picture of the 1987-1988 school year is finished. I hope that as each of you looks back at the picture, you will remember all the good times we have enjoyed together.

*Thanks for a
 great year!
 Mr. "G."*

The Staff of the 1988

Communitier wishes to express our appreciation to all "Patrons" who helped support our Yearbook.

They Need You We Need You Join the PTA

They need you

Children need you —

- to ensure them a quality education, whether they attended a rural, suburban, or urban school;
- to help meet their physical, mental, social, and spiritual needs — at home, in the school, and in the community;
- to serve as their advocate to change conditions that threaten their development, such as TV violence, poor nutrition, inadequate health education, drug and alcohol abuse;
- to promote legislation that protects their education, health, and welfare;
- to guide them through the difficulties, problems, and joys of growing up in this era of rapid and dramatic change.

We need you

PTA needs you —

- to join as a partner in improving the quality of life for all children and youth;
- to promote good home-school relations;
- to give parents and other citizens a more effective voice in educational decision-making;
- to discuss budgetary concerns and participate in reviews of school finances;
- to take part in curriculum studies and other projects that benefit students;
- to share ideas and information in meetings, study-discussion groups, and workshops.

Congratulations Seniors

Welcome to CHS!

Please not another
five minute timed writing.

Witches, goblins, and ghost,
Oh my!

Doc Hampton to the
rescue!

Hello neighbor!

Fitting Together

As the year progressed, students found that their life at CHS had been very special. The friends made, the knowledge gained, and the experiences they had learned from would be with them for the rest of their lives. Students also discovered that their time at CHS had helped them grow and mature. CHS had instilled a feeling of confidence in its students that they could face whatever the future might bring.

The Three Stooges

Cool and the gang.

Patty cake, Patty cake . . .

The Final Piece

As Editor of the 1988 Communitier, my goal was to produce a yearbook that would hold within its cover a special piece of each student's life. This goal would not have been possible had it not been for the hard work and dedication of the 1988 Communitier Staff. There were many times when it seemed as though we would never meet the deadlines, but with the combined efforts of all involved, we succeeded. I would like to express my sincere thanks to my staff and a special thanks to my advisors, Mr. Gregory and Mrs. McClenney. I believe that the 1988 Communitier captured every student at CHS as they went about —

"PUTTIN' THE PIECES TOGETHER"

Beth Hasty

FRIENDS

Packing up the dreams God planted
in the fertile soil of you.
Can't believe the hopes. He's granted,
means a chapter in your life is through.

But we'll keep you close as always,
it won't even seem you've gone.
'Cause our heart's in big and small ways
will keep the love that keeps us strong.

With the faith and love God's given
springing from the hope we know.
We will pray the joy you live in
is the strength that now you show.

But we'll keep you close as always,
it won't even seem you've gone.
'Cause our heart's in big and small ways
will keep the love that keeps us strong.

And friends are friends forever
if the Lord's the lord of them,
and a friend will not say "never"
'cause the welcome will not end.

Though it's hard to let you go,
in the Father's hands we know
that a lifetime's not too long
to live as FRIENDS.
